Dear Parents/Guardians,

Re: 2025-2026 Student Health Service / School Dental Care Service

The Department of Health (DH) would like to invite your child to participate in the **Student Health Service** and the **School Dental Care Service** for the 2025 / 2026 school year. The service period starts from November this year to October next year. The DH has implemented the **online enrolment programme** for both services in this school year. **Please refer to the attached QR code on the right to fill up and submit the Joint Enrolment Form for both services between 1 September 2025 and 14 September 2025.** Student Health Service is free of charge for eligible students and School Dental Care Service charges a nominal fee. Starting in October 2025, parents/guardians of students enrolled in the School Dental Care Service will receive an SMS message regarding payment (\$36 for eligible students) and are reminded to settle it as soon as possible. Otherwise, it may affect the service arrangements, and the dental clinic may not be able to provide services.
