A Creative ending by 5A Tisha

Later that evening, Leia went to get some oil in the garden. Suddenly she heard whispers from the jars. She listened and understood. She was a curious girl so she looked inside the jars. Then the thieves kidnapped her and said, 'You know our secret now so you shall not see tomorrow's rising sun.' 'No! No! Please don't kill me, I won't tell anyone about the secret' said Leia. 'Ok, but I will kill your father Ali Baba instead' said the leader of the thieves. 'Oh no' said Leia. 'But

remember until I kill your *
father you shall not leave!' said
the leader of the thieves.

* Luckily her father Ali
Baba saw it so he called the
famous wizard Harry Potter
to help him with this situation.

After an hour, Harry Potter
arrived. 'Don't you worry my
friend, Harry Potter the greatest
wizard in the world is here to
save you and your daughter
Leia.' Harry Potter immediately
said the magic words 'Hooops Pooops'
all the thieves turn in to monkeys
and they were all sent to the
zoo of the 'Crazy Animals!' 

* At last, Ali Baba and his *
family were free from the thief.
Ali Baba and Leila thanked Harry
Potter and lived happily ever
after.
